

Department of Workforce Development Training – Worker's Compensation Division

Spring: Workshop Sessions (April 7-10, 2015)

The Division of Worker's Compensation offers training sessions and workshops to those members of both the insurance industry and self-insured employers who handle worker's compensation claims. These are offered at the Division's worksite: 201 E. Washington Ave., Madison, WI 53707. Attendees must sign up in advance, and can do so by contacting our Training and Compliance Coordinator at (608) 267-6890. If you have any questions regarding the contents or details of either the training sessions or the workshops, you may call the Training and Compliance Coordinator or the EDI & Internet Coordinator, at (608) 267-6890.

The Pending Reports session lasts approximately three to four hours, and the PPD and Medical Reports session last roughly two to two and a half hours. If you attend one or the other, this will be a half to less than half a day event.
